Rule the Classifieds

Craigslist. Backpage. Done.

Why is Craigslist Important?

Simple. High traffic and exposure for FREE.

Over 60 million people use the site each month to find their next purchase.

SOARR's PostKing makes it easy to maintain a constant flow of your inventory in front of real buyers and local traffic.

Proof of Concept

In 3 months, a commercial truck dealer using our Craigslist solution posted 16 trucks that were priced over \$60,000 and received 41 leads on those units.
